Can-Am Geomatics is Hiring

Pointing ~~you~~ your career in the right direction

Saskatchewan Land Surveyor – Swift Current

Can-Am is proud to be one of the most innovative corporations in geomatics. For 40 years, we have consistently provided the highest quality and most cost-effective geomatics services to a wide array of clients including oil, gas and pipeline companies, and construction, engineering and development firms.

We are seeking a Saskatchewan Land Surveyor for our Swift Current office.

Reporting directly to the Branch Manager, our newest SLS will play a key role in developing our Saskatchewan operations. This position provides excellent growth and advancement opportunities for the successful candidate.

We have created an inspiring work environment where you are trusted and empowered to manage your projects. Our managers know that by showing appreciation, you will be motivated to exceed expectations. This position is ideal if you enjoy working as part of a team and being rewarded for creative ideas.

Can-Am provides professional opportunities where you can:

- Earn industry leading wages with a generous benefits package
- Be part of a strong and capable team
- Achieve your career goals
- Make a difference and be recognized for it

This role is a designated safety sensitive position.

Our ideal candidate has 3-5 years industry experience, good organizational skills and a demonstrated ability to manage people and projects. Land Surveyors from other jurisdictions who are eligible to earn a SLS commission are welcome to apply. An articled student nearing completion of articles may be considered.

We thank all applicants for their interest, however, only those selected for an interview will be contacted.
